Mourn Fate of Six Killed in Captain Scott

MEETING OF ROYAL GEOGRAPH- TOKIO MOBS STONE THE PREM-ICAL SOCIETY.

HEARTFELT TRIBUTES

Members of Expedition Referred to As "Band of Heroes"-Message of Sympathy Received from King George.

London, Feb. 10.—At a meeting of the Royal Geographical society this evening announcement was made of the disaster which has overtaken Cap-tain Robert F. Scott's Antarctic ex-pedition, resulting in the death of Cap-ttain Scott, Dr. E. A. Wilson, Lieuten-ant H. R. Bowers, Captain L. E. G. Oates and Petty Officer E. Evans. Overwhelmed by Blizzard.

Tokio, Feb. 10—Six persons were killed and 65 seriously injured in the political rioting here today. The situation tonight is serious.

The premier of Japan, Prince Katsura, was stoned by a mob in the streets. His resignation has been demanded by the people. Mobs attacked the offices of the bureaucratic newspapers and threatened the dwellings of the ministers. They burned and wrecked police stations, tram cars and private dwellings.

Troops Patrol the Streets Captain Scott's party, said Douglas W. Freshfield, vice president of the geographical society, in making the announcement found Captain Roald Amundsen's tent and records at the South Pole. On the return trip about March 29, 1912, eleven miles from One Ton. Depot, a blizzard overwheimed them. They had suffered greatly from hunger and exposure, and the death of Scott, Bowers and Wilson was virtually due to them. They died soon after the blizzard swept down upon the party.

the party.

Oates died from exposure a few days later. The death of Evans resulted from a fall. The other members of the expeddition are reported to be in good health. A searching party discovered the bodies and records some time later. Message of Sympathy from King.

A message of sympathy to the geo-graphical society from the king was read in which his majesty said: "I am deeply grieved to hear the very bad news you give me of the loss of Captain Scott and four of his par-ty just when we were honing shartly ty, just when we were hoping shortly to welcome them home on their return from their great and arduous undertaking. I heartly sympathize with the Royal Geographical society in the loss of science and discovery through the death of these gallant explorers."

The message from the king was in The message from the king was in reply to a notification of the tidings from the Antarctic transmitted to his majesty by Lord Curzon of Kiddleston, president of the society.

No Party Better Equipped.

The regular programme of the meeting was abandoned, and the members of the socilety listened sadly to heartfelt tributes to the explorers. After giving what details he had received, Vice Fresident Freshfield reviewed the plans of the expedition and said:

"No party ever set out better equipped or better fitted by gallantry and experience than its members from Captain Scott down, to meet the ordinary perils of the poles. But Antarctic travel would not be what it is a training ground for the highest qualities of the British race—if these perils could be avoided." No Party Better Equipped.

D. in View of Governor Wilson's determination to be known simply as Woodrow, his baptismal name, the firm of sta-

now signs as "commander" of the expedition. The message was signalled from the Terra Nova, returning from the Antarctic regions, while passing Oamuru, New Zealand.

No detailed facts are yet known, but it is hellowed that the records of the The report presents estimates showing the prices paid to farmers for certain articles consigned to the city of New York, and the prices paid by the consumers there during the last year. The estimates show that \$17,000,000 worth of eggs were sold for \$28,000 that cabbage for which the farmer received \$1,825,000 were sold to consumers for \$9,125,000; that farmers received only \$23,000,000; potatoes valued at \$8,427,000 sold for \$60,000,000, and New York consumers paid \$3,212,000 for onlines that the farmers received only \$821,000 for. it is believed that the records of the scientific material collected, together with the explorers' bodies have been It is also understood that gallant attempts were made by the other mem-bers of the expedition to succor the Scott party, but these were defeated by the severity of the weather conditically certain that the explorers stary- \$821,000 for.

ORCHESTRA DROWNED

NOISE OF FIREMEN Panic In Moving Picture Theatre
Averted by This Action.

Dr. Ehrich Marshall, who was surgeon to the Shackleton expedition, suggests that the Scott party in the terrible blizzard may have missed one of its supply depots, which are generally marked by an upturned sledge with a flag lashed to it. New York, Feb. 10—A motion picture audience in a theatre on Broadway sat unmoved today while firemen from the roof fought the flames that were raging on several floors of an adjoining five story apartment house. Some of the firemen were at work just behind the screen on which the pictures were being thrown, and had passed through the theatre lobby to reach places of vantage. At the theatre manager's direction the orchestra played continuously, drowning the noises the firemen made.

Two miles of Broadway trolley traffic was tied up for an hour as a result.

At Naples: Feb. 7, Venezia, from New York for Marseilles. At Antwerp: Feb. 8, Vaderland, from

such as an earlinguake, starvation is the only thing that could have killed Scott.

"Just what caused the disaster it is impossible to say with any sureness. If it were only a question of Scott himself and perhaps one or two others, a full into a crevasse might account for it, but we must fall back on starvation as the explanation of the death of any large number."

New York, At Liverpool: Feb. 10, Hesperian, from St. John, N. B.

All the american annerved by the rumon of today, acquired the trick of dodaring around corners and accelerating their pace when crossing streets.

Banks Remain Closed. rifles are expected to turn out.

In case of a bombardment by either side there will be great danger to the nearby districts, especially to the south and west of the arsenal, where many Americans-live. No representative have been made tions on this subject have been made by the diplomats.

No Attack Yesterday. General Felix Diaz, whose bold stroke Sunday almost overthrew the Madero administration, held his army in leash today. Nor did the scattered government forces dare to attack him n his fortified positions in and about

Still hoping that he might attain complete control without further loss of life or destruction of property General Diaz surprised the capital by refraining from turning his heavy guns upon the national palace.

The government's position has not been materially altered since yester-day, although a few of Blanquet's soldiers—not more than 500—have nrived and a small detachment of rurales have ridden into the city. The foreigners are foreigners by the control of the street of the sending of the sendi been materially altered since vesterday, although a few of Blanquet's
soldiers—not more than 500—have arrived and a small detachment of
rurales have ridden into the city. The
forces of General Diaz were not materially augmented either, but the
proximity of the Zapatistas and the
president.

The sole purpose of the naval disposition is observation and report upto on the situation, particularly with refforces of General Diaz were not materially augmented either, but the
proximity of the Zapatistas and the
president.

INDIANS TO LEAD TAMMANY MARCHERS. Idea of Having Tiger in Inaugural Pa- Albert Freeman Testifies in Hawthorne rade Abandoned.

Carried on Stretcher to Gallows. Jackson, Miss., Feb. 10.—Unable to waik or stand because of a bullet that had paralyzed his spinal cord. Seymour Arnold a negro, was carried on a stretcher to the gallows at Collins, Miss., and hanged today. Arnold was executed for the murder of William Louise a merchant of Ora, Miss., last Lowrey, a merchant of Ora, Miss., last

Mexico City, Feb. 10-President promised early arrival of repels from the state of Vera Cruz under Gaudencio De La

> Gen. Huerta Changes Plan-The establishment of martial law as served to keep inquirers blocks of information and the people ke of a most alarming character At one time during the forenous General Huerta believed that he was justified in risking an attack on the rebels, but the latter trained their guns down the streets leading to their positions and prepared to resist proved unnecessary for Huerta's plan

> Not a Single Encounter Then a report gained credence that the rebels were about to take the offensive and attack the national palace, but the day closed withou gle encounter between the

> apart. One report, which was not enter tained seriously by thinking people was that the government proposed to shell the capital in an effort to subjugate Diaz and his troops. According to this plan the government would be a subplant its cannon on a hill three miles out and from there attempt to drop shrapnel among the rebels.

Diaz Widons His Zone. General Diaz is gradually widening his picket line this afternoon. Some of those who still have fulth in the power of the government ber of troops from Elanquet's command already in the capital, ther is reported to be a force of 1,000 men under General Alvarez in the mountains some fifteen miles out, and 25 ment is able to persuade what are more controlled to the submission. Unless, however, the government profess to the dilatoriness of this as weakness which will result in his because of the government profess to the dilatoriness of this as weakness which will result in his because of the government profess to the dilatoriness of this as a weakness which will result in his because of the government profess to the dilatoriness of this as a weakness which will result in his because of the government profess to the dilatoriness of this as a weakness which will result in his because of the government profess to the gover rally, Diaz with superior smillery should be able to resist any attack.

Peace Negotiations. came known early. Americans Preparing.

An effort has been made by the diplomatic representatives to secure foreign patrols for the district in which most of the foreigners live, since neither the government nor the patrols. The people, unnerved by the patrols.

All the banks remained closed throughout the day and in the afternoon most of the shops had up heavy

AMERICAN BATTLESHIPS, United States Sends Two to Mexicam Ports for Observation.

Washington, Feb. 10.—The United States late today decided to send a battleship to Vera Cruz and another to Tampico, and vessels to Maratlar and to Acapulco. The sole purpose of those movements is to observe and report upon the situation, and represent no change in the policy of this govern-ment, says the statement of the state

Memorial to Titanic Victims.

Washington, Feb. 10.—Permission for the erection of a memorial structure here in Potomac park by the Women's Titanic Memorial association was proposed today in a resolution introduced by Representative Townsend of New Jersey. The association expects to erect a memorial to the men who lost their lives in the Titanic disaster.

THE "SUCKER LIST" Mining Frauds Case.

Washington, Feb. 10.—Tammany Hall's contingent of 1,500 marchers in the inauguration parade March 4th will be headed by 25 real indians, to be brought here from the west, representing 25 tribes, and each Indian will be garbed in his distinctive tribal dress. Recently an intimation was given that brought here from the west, representing 25 tribes, and each Indian will be garbed in his distinctive tribal dress. Recently an intimation was given that Tammany might wish to have as a feature a live tiger, but this was deemed unwise, and the Indian feature was substituted.

Robert N. Harper, chairman of the civic committee, today said that no definite conclusion had been reached with Mrs. Elmer E. Elack regarding the participation of the American Woman's Congress in the parade, Mrs. Black today conferred with Chairman Eustis and other members of the inaugural committee, but no agreement was reached for the reason that the inaugural committee prefers that no woman take part in the parade. Mrs. Black then said her contingent would be composed of men, dressed in white, with a woman herald at the head. Efforts to have the prace congress take part in the suffrage pageant on March 3 probably will succeed.

Gunboat Vicksburg Rammed, Seattle, Wash, Feb, 10.—The gun-

Scattle, Wash, Feb. 10.—The gun-boat Vicksburg, lying at the navy yard, was rainmed today by the navel tug Fortune, which was towing a water barge. The steel prow of the tug out a gash in the starboard quarter of the Vicksburg, which began to fill and was beached to keep her from going down

hurt here late today when the floor of the Cabanne Methodist Epscop I church collapsed just as a funeral par-ty was passing out of the building. The women were plunged into the base-ment eight feet below.

Root Bill Up Tomorrow, resy. The association expects to sold a memorial to the men who lost in the Titame disaster.
